

Additional Activities and Information

Music Program

Mt. Zion Christian Preschool students participate in a wonderful weekly music and movement program. The children sing songs, dance, and learn about rhythm. The music program of Mt. Zion Christian Preschool hosts a family Christmas Program and Spring Program where the children perform the songs that they have been learning. The preschool children are also invited to perform with the children's choir during several services throughout the year.

Chapel

The children participate in a monthly Chapel Program with Pastor Tammi. The children go to the Chapel, where they learn about God through a variety of stories and hands on activities.

Activities

The Preschool has a variety of activities and field trips that they participate in. Below are examples of some of the activities:

- Pumpkin Patch
