

Dear Members of Mt. Zion,

As you know, worship services were cancelled last Sunday due to the snow. Like you, I spent the day digging out, knocking snow off the car and clearing off snow on the sidewalk and driveway (fortunately without falling and injuring myself). I hope that you too stayed safe and warm.

Since we did not meet for worship, I was unable to remind you again to participate in the four sessions that will provide a framework for us to have a courageous conversation on the three models that will be submitted to Special Session of the General Conference in February. The first session will be held this Sunday at 2 pm in the Fellowship Hall.

Your participation is very vital in helping our church family here at Mt. Zion to be informed, engaged, and equipped to navigate the changing landscape as our local church, national church and international church deal with the way that we will serve the LGBT community and seek to be a church of understanding and acceptance.

Grace & Peace,  
Gary

**Mt. Zion UMC Highland Inclement Weather Policy:**

Please adhere to this policy in cases of inclement weather. Always call the church first at (301) 854-2324, to be advised of all openings and closings. Monday through Friday we follow the Howard County Government weather policy. If there is a snow state of emergency for Howard County our services will automatically be cancelled.

During inclement weather, there is a high probability that our early morning worship at 9 a.m. will be cancelled. Please call the church office or check the church website, Facebook, or twitter page to be certain.

If the early service is cancelled, it does not mean that our 11 a.m. worship service will be cancelled also. Please call the church office or check the church website, Facebook, or twitter page to be certain.

**\*\*\*There will be no service the following Wednesday, this was an older policy.**

Here are some [events and opportunities](#) for you to get connected in the church:

**Church-wide Discussion on the Way Forward**. Starting January 20 from 2pm - 4pm; Mt. Zion will hold a 4 week series of discussions on the Way Forward. This series will review the 3 plans The United Methodist Church has identified, each as a potential "way forward" regarding the church's policy on human sexuality (including the issue of same sex marriage and ordination of homosexuals). For more information, please see the December Pointer article. This discussion series is an introduction to a conversation that may well affect the future of The United Methodist Church as we know it. The United Methodist Church will hold a special General Council session in February to address this issue and determine how we go forward or whether we go forward as a denomination. We invite everyone to join us to understand the direction of the church and explore what it means on a personal and corporate level. To ensure we have room for everyone, please RSVP to Debra Leiss
