

Membership Contract

This contract lists the conditions for membership in the House.

1. I will not use any alcohol, illegal drugs, over the counter or prescription drugs. If a physician prescribes me medication I must notify the House immediately.
2. I will submit to random drug and alcohol testing. I understand that refusal of a urinalysis, or a positive result of the test or tampering with the test will result in a 30 minute notice to vacate the House. The test must be taken within 60 minutes of the request or it will be considered a refusal. **I will comply.** If I have not taken all my possessions I can arrange to meet 2 house members within the next 7 days to pick up my remaining possessions. If I do not I will forfeit them.
3. I will have a job and if terminated I will notify the House immediately to discuss a plan of action to be reemployed and pay my bills.
4. I will pay my rent on time and in advance on a weekly basis. The payment will be made with a money order.
5. I will attend the weekly House meetings.
6. I will continue to work on my recovery in a 12 step program under the guidance of a Sponsor.
7. I will comply with a 30 day black-out period. Entailing the following: must be in the house by 11pm 7 days a week. Cannot spend the night out of the house. The house will vote on the lifting the black-out.
8. I will not bring weapons, explosives or fireworks to the House.
9. I will adhere to the no smoking in the House rule. When smoking outside I will use receptacles for the cigarette butts.
10. I will not bring anyone into the House to spend the night.
11. I will not stay out (after black-out) of the house overnight for more than 2 nights in any one week.
12. I will adhere to all House rules (attached).

I understand that my adherence to this contract will be evaluated weekly. By signing this contract I am acknowledging that I understand my rights and responsibilities to be a member of the House.
