BBC Children in Need provide grants to projects in the UK which focus on children and young people who are disadvantaged. They are local to people in all corners of the UK and support small and large organisations which empower children and extend their life choices.

Children in Need are currently supporting 2,400 projects all across the UK. The projects they fund help children facing a range of disadvantages for example poverty and deprivation; children who have been the victims of abuse or neglect or disabled young people.

For more information the website for Children in Need is www.bbcchildreninneed.co.uk

Please help to support this charity tomorrow. We are asking for £1 in exchange for coming to school in non-uniform.
