

Class Assemblies

As a way to celebrate the learning that the children do in class, we are delighted to invite parents and families to a special class assembly every term. This assembly will be run by the children and will be their opportunity for them to showcase what they have been learning.

Dates for the Spring term have been sent out via newsletters. Dates for the summer term are given below. These will also go out via a newsletter nearer the time and parents will be notified of any changes via texts.
