Name of Contractor performing the work:

***\*Attach a sketch showing repairs/replacements or in the case of demolition, the location of the capped line.***

***Description of work:***

- No foundation drains, cellar drains, or sump pumps shall be connected to the sewer line.
- Nor shall any surface or spring water be connected into the sewer line.

This permit is issued in accordance with and subject to all Rates, Rules, and Regulations of the Pine Grove Joint Treatment Authority. Permit-tee agrees to all costs and charges with respect to the repair, replacement, demolition, or disconnection and agrees to pay all costs and charges for service as set forth in the applicable statutes, which include the right of the Authority, in its discretion, to encumber the permit-tee's property by lien or to terminate sewer/water service to the property in the event of delinquent status.

This permit is in full force upon receipt of the required fees, and upon approved inspection of the repair, replacement, demolition, or disconnection as evidenced below.

This permit shall expire (120) days from the date of issuance.
