

Special Opportunities for the Right Software Representatives

In-between Jobs, Independent Consultant, Sales person allowed to sell products from other vendors, willing to work on high commissions only, want to profit from what is turning into one of the hottest technology sectors? BigDataRevealed has the opportunity and Software Application for you! BigDataRevealed For EU GDPR, US-Privacy Shield & General Compliance.

Companies are just realizing that the European Union means business with their General Data Protection Regulations set to be fully enforced this coming May 18th, 2018. Meeting the EU GDPR Requirements will be nearly impossible for most companies without the use of technology like "BigDataRevealed". [A Dell Survey shows lack of awareness and preparation.](#)

With around 80% of companies still not compliant and most companies unaware, ignoring, or just fighting through the requirement, it is evident they are all prime prospects for BigDataRevealed. Fines, for failure to comply with GDPR, can reach up to 4% of gross receipts. High enough to jeopardize yearly profits for many firms. Any company wishing to still do business with European citizens must comply with EU GDPR. [EUGDPR Requirements](#)

With BigDataRevealed, you will have an Application that is designed and able to accelerate any GDPR compliance project, is the most comprehensive solution now available, Installs almost immediately and is priced below all other means to deliver GDPR compliance. BigDataRevealed is waiting for you to review the attached Agreement and start selling!

Commissions start at Twenty-five Percent (25%) and after 1 million in sales goes to Thirty-five Percent (35%) Commission. Just a handful of Customers you have worked with before can make for an extremely successful year or years.

We will train you for free, train your technical pals, participate remotely for your demo's and installations and allow your clients a 5-day evaluation period free of charge.

We offer product rental fees for a client that wishes delivery of a one week or one month Audit/Assessments at prices that will be a fraction of what other consultants can offer.

For a demo for yourself, your client or both, go to <http://bigdatarevealed.com/eugdpr-data-audit-assessment-offer> and fill out the request form. For additional information or questions email us at: info@bigdatarevealed.com.
