

Natural State

An Art Exhibition Inspired by the enjoyment of
Andover Village Improvement Society (AVIS) properties and trails

Call for Entries

Natural State is a juried art show organized by the Andover Center for History & Culture (ACHC) and supported by the Andover Village Improvement Society (AVIS) and Andover Arts and Culture Alliance (AACA).

The intent of *Natural State* is to encourage artworks inspired by AVIS' properties and trails and the many ways the community takes pleasure in them. In 2019 the Andover Village Improvement Society (AVIS) is celebrating its 125th anniversary, the second oldest land trust in the country. *Natural State* is part of a year-long calendar of events celebrating AVIS' long commitment, "to acquiring land and preserving it in its natural state."

Artists can find inspiration in the natural beauty of the landscape, the many examples of local flora and fauna, and the people who find ways to enjoy these special outdoor spaces every day. We encourage artists to think broadly about which properties inspire them and to explore ones they may not be familiar with. Two-dimensional artwork and wall hangings of all kinds will be eligible, including but not limited to works on paper, prints, drawing, painting, collage, photography, and fiber arts. Students are encouraged to submit artwork.

Entry procedure

All artists, 14 years or older, are invited to submit works for *Natural State*. Students are encouraged to apply. The application fee will be waived for students who submit a copy of a valid student ID with their application.

Artists may enter up to three pieces. There is a \$30 nonrefundable fee for up to three artworks, payable to Andover Historical Society. Checks can be mailed to 97 Main Street, Andover, MA 01810. Alternatively, fees may be paid online at <https://andoverhistorical.org/natural-state>. All work must be for sale. 1/3 of the sale price will be divided between the Andover Center for History & Culture (ACHC) and Andover Village Improvement Society (AVIS). The ACHC and AVIS reserve the right to photograph work for publicity purposes. Artists must complete an application form and submit a jpeg of each piece of art. No substitutions will be allowed after a work is selected. Email jpegs to: kosky-stamm@andoverhistoryandculture.org.
