We also believe we have a fiduciary responsibility to you as the business owner, but we also have a responsibility to your family and the people who keep your business moving forward. With that said Venture Business Broker will never offer or push you into a financial position that is not manageable.

Our goal is for every client to think of us as a business partner who will always have your best interest at the center of every financial decision.

## **MERCHANT CASH ADVANCE**

A merchant cash advance allows a business owner who accepts credit card payments or has other payment or receivables streams to obtain an advance of the funds regularly flowing through the business' merchant account.

A merchant cash advance (MCA) is not a loan, but rather an advance based upon the future revenues or credit card sales of a business. A small business can apply for an MCA and have an advance deposited into its account quickly, within 24 to 72 hours.
