Venture Business Brokers believes in the American dream and that every business deserves the opportunity to get the necessary funds needed to prosper without a long wait time and without jumping through hoops.

We also believe we have a fiduciary responsibility to you as the business owner, but we also have a responsibility to your family and the people who keep your business moving forward. With that said Venture Business Broker will never offer or push you into a financial position that is not manageable.

Our goal is for every client to think of us as a business partner who will always have your best interest at the center of every financial decision.

Business Credit Repair

Venture Business Brokers works with the leader in business and personal **credit repair**. They have perfected an approach to business credit repair. The credit experts take the time-consuming task of credit repair off the hands of owners and executives, so they can focus on running their business. Countless business owners from a variety of industries count on our business credit experts to repair, build, and monitor their business credit reports.

Our FICO Certified Professionals we have partnered with have company credit repair programs designed to fix, change, correct and delete information that is hurting the credit scores and indexes of your business. There are many credit scores and indexes associated with the business credit bureaus that can fluctuate for a variety of reasons. Potential accounts, partners, and even executive talent that is on the cusp of making a decision to work with your firm could turn

away based on red flags reported to credit bureaus whether the information is accurate or not.

Score and index threshold changes can be caused by something as small as a recent late payment from a vendor account or a high dollar collection account caused by damaged goods returned to the supplier with a resolution pending.
