Paulaner Munchen Hell Lager 4.9% £ 2.90 / £5.50 / £9.90

Kona Big Wave Golden Ale 4.4% £3.90 / £5.90 / £10.90

*Bursting with tropical fruit flavours, this golden ale from Hawaii will have your taste buds tingling. It has a soft fruit aroma that is reminiscent of pineapple and passion fruit, and the taste is fresh with very little dryness and a lot of papaya and pineapple without ever becoming sweet. It's quick, clean finish that makes you want to drink this beer again and again.*

Kwak Dark Ale 8.4%(Belgium) £6.90

*It's deep amber colour and creamy, dense head yield a majestic Belgian beer. It has a caramel-like aroma with a spicy hop edge and hints of banana from the yeast. The sweet body gives way to a spicy and savoury finish that is pleasantly warming.*

## Bottled

---

Karmeliet Tripel *Ale 8% (Belgium) £6.90*

*It's brewed using barley, wheat and oats, which give it a smooth mouthfeel and more complex malt body. On top of that the brewery layers banana-like esters from the yeast and a little hop spiciness that adds a quinine-like dryness to the finish.*

Delirium Tremens *Strong Ale 8.5% (Belgium) £6.90*

*A delicious, spicy and warming Belgian strong ale, Delirium is famous the world over not just for its bizarre kitsch branding but for the fact that it regularly wins best blonde ale at awards. A deceptively drinkable beer, it's no wonder it does.*

La Chouffe *Blonde 8% (Belgium) £6.90*

*La Chouffe hails from Brasserie d'Achouffe, or Chouffe, which is a small artisanal brewery in The Ardennes Mountains of Achouffe, Belgium. It is medium bodied and unique, a fruity-spicy, blond saison beer.*

Hacker Pschorr *Wheat 5.5% (Germany) £6.90*

*Brewed with 60 percent wheat, 40 percent barley - using top fermenting yeast, it is then slowly lagered and remains unfiltered throughout the finish.*

Orval *Ale 6.2% (Belgium) £6.90*

*This Belgian Trappist beer is a delicious, slightly sweet pale ale brewed with subtle, citrusy hops. So far, so normal, but then the beer is dry hopped and bottle fermented with *Brettanomyces*, which over time eats all the sugar in the beer and leaves behind a herbal-dry beer unlike any other drink in the world. Loaded with umami like flavours, a touch of caramel and a strong zesty orange pith flavour.*

## Flavoured Beer

---

Lindemans Apple *Lambic Beer 3.5% (Belgium) £6.90*

Meantime Raspberry *Wheat 5% (England) £6.90*

*Raspberry Wheat Beer has a vibrant red colour and a fine white head. The beer has a full raspberry fruit nose, a balance of sweet and sour fruit on the palate and a wildly refreshing zesty finish. The beer is brewed with malted barley and malted wheat, and is fermented with a rare warmth loving yeast,*

Page 24 Rhub' IPA *India Pale Ale 6% (Belgium) £6.90*

*The Rhub'IPA is brewed with rhubarb, which gives the beer a slightly sweetened aroma that subtly combines with the citrusy hops. On the palate though the rhubarb cuts right through the malt and leaves a sourness on the finish that makes the beer lighter and more refreshing than a classic IPA.*

Kasteel Cherry *Red Ale 8% (Belgium) £7.90*

*This delicious, rich cherry beer is a beautiful blend of Kasteel's celebrated quadruple-style beer Donker and cherry liqueur. The cherries add a deep, dark fruitiness to the beer tempered by the chocolate and peppery spice of the Donker.*
