Welcome

We at the Olive Grove believe that eating and drinking should be a sociable activity. Sharing flavours and experiences is all part of healthy lifestyle.

Meals are far more enjoyable with good company and great drink, there must be a balance of flavours, atmosphere and socialising.

So in our belief of the Mediterranean approach to eating and drinking, we have delivered small plates of flavours to be shared amongst yourselves and your friends.

The food is served as and when it is ready, to have the best flavour and fill your "orexi" appetite.

We would like you to sit back and enjoy our hospitality "filoxenia" and should you become a little lost in your thoughts let us take over and meet your expectations.

Buon Appetito,

Καλή όρεξη,

Bom Proveito,

Bon Appetit,
