Would you like to become a member of the Chisholm Trail Museum? There are benefits to being a member!

Besides helping to support and sustain local history and preservation, as an **Annual Member**, you will receive our quarterly newsletter which includes articles about Sumner County's past as well as highlights and details about artifacts within our museum that you may or may not have seen before. Annual memberships are valid January 1 to December 31 of the current year.

As a **Patron Member**, along with receiving the newsletter, you will be invited to special *patron only* events at our museum such as opening receptions and first look viewings. You are also eligible to vote during the annual board of trustees' election. *Note: A patron membership is granted on an individual basis (in one person's name), rather than to families, couples or businesses.*
