

Star Center Gymnastics 2018 Christmas Show Saturday, December 15th

It's time to sign up for Star Center's 1st annual Christmas Show. This year the show will be hosted on Saturday, December 15th at National Elite Gymnastics. The Christmas show is a presentation of a variety of skills your child has been learning this semester. All classes will be learning a fun routine for each event in preparation for the show. The classes will continue to learn new skills; however, the show has proven to be a fun way for the kids to put combinations together to show off their gymnastics expertise. We encourage you and your athlete to be a part of this exciting holiday event.

The children will be divided into sessions based on age and level. As soon as we have all of the registration forms, we will process the information, and get the show's schedule posted by December 3rd.

All parents, siblings, friends, and family members are welcome and encouraged to attend the show. Our competitive gymnastics teams will also perform during the show.

The cost is thirty dollars (\$30) to enter your child into the show. There is a five dollar discount for siblings. This money goes to pay for a beautiful trophy for each child and other miscellaneous expenses. There are no refunds.

THE DEADLINE FOR ENTERING IS TUESDAY, NOVEMBER 20th.
NO ENTRIES WILL BE ACCEPTED AFTER THIS DEADLINE!

Happy Holidays! Star Center Staff
