

The Ezone Web Back is excellent seating for your entire office AFRDI tested and approved to Level 6 which is the highest rating available, the Ezone Plus chair exceeds OHS standards, is available under Government contract and is GECA certified.

The Ezone Plus is built standard with a heavy duty kit, including reinforced arms and reinforced seat, specifically to hold operators of up to 135kgs. Polished alloy base for extra durability.

Our Dual Density foam supports the buttocks and lower back and spinal region. Firmer towards the front of the seat and softer towards the back encouraging good posture and reducing slouching. The fully recyclable moulded foam encourages good blood circulation.

EZONE WEB BACK Task Chair

GECA Certified to Level B

Any fabric used on these products must be certified by GECA, ECNZ, Nordic Swan or EU Flower.
