

The Box

Active learning is the positive synthesis of space, technology and pedagogy, which stimulates the mind to encourage it to learn.

Collaborative space lounges offer two height choices 1200mm or 1500mm.

Made with non – removable cushions to ensure longevity of the lounges in the unpredictable education environment.

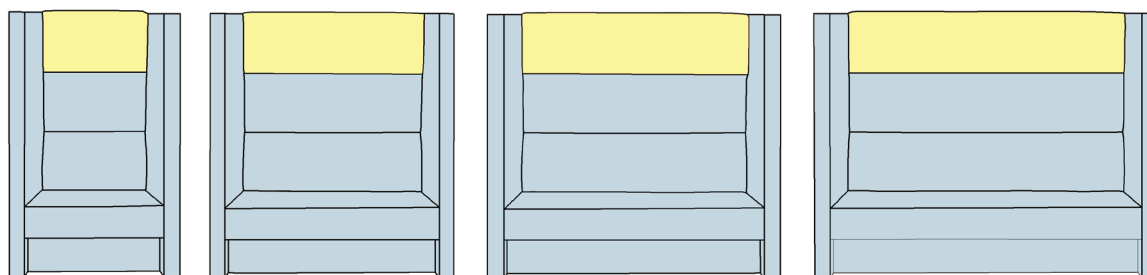

Direct Ergonomics also offer a range of coffee tables/and or laptop tables to go with the lounges.

Options Available

- Available in any fabric to suit your colour scheme.
- Small fabric surcharge for Two Tone Upholstery.
