

The beautiful, adaptable Sara Lounge is as comfortable in a reception space as it is in an activity- based office design.

Easily creates zones within larger spaces to create quiet, meeting spaces or just comfortable lounges for a change of a atmosphere in a work day. The unique square design maximises square floor meterage.

Specifications:

- 1 or 2 seater
- Standard wood tapered leg or can be customised
- Upholstery- Can be one colour or 2-tone option
