## One touch electric operation for sit-to-stand solution !

The Höher is compact design streamlines the look of the workplaces, fitting perfectly in corner workstations or extremely narrow workplaces. The Höher is powered by a quality electric European motor that easily lifts and lowers your monitor and keyboard. It allows the keyboard to sit flush on the desk and raises well past that of normal sit2stand desk. Even the tallest person will be happy with the 700mm height raise. Not only does Höher offer effortless movement, the motor is whisper quiet and the anti-collision reversing technology and self-stabilising platform make working on your computer more enjoyable than it ever has been.

Höher - Dual monitor  
\$1099 ex GST

Höher - Single monitor  
\$985 ex GST

Höher - Triple monitor  
\$1220 ex GST
