StandUp Desktop Workstations

Squeeze handle
effortlessly adjust height

Gas spring
creates smooth and quick transitions

Slimline StandUp effortlessly converts any worksurface to a sit to stand workstation. Gently press handle on right hand side to activate gas to raise or lower monitor and keyboard. Keyboard surface is large enough to accommodate multiple items. Compact design rises and lowers on itself to ensure monitor is correct distance from user. Special slot designed to accommodate tablet or phone.

Optional Monitor Arms Available

Quality MDF board features high impact resistance
