REAL ESTATE INSPECTION CONTRACT

PLEASE READ THIS CONTRACT CAREFULLY AND MAKE SURE YOU UNDERSTAND IT BEFORE YOU SIGN IT!

Montgomery Inspection LLC (the Company) and You (the Client) hereby contract and agree as follows:

The Client retains the Company to perform an inspection of the real estate (**in accordance with State of Alabama Standards of Practice for Home Inspection**) located at the Property Address listed below and agrees to pay the inspection fee indicated below, due upon completion of the inspection. The Company agrees to perform an inspection of the real estate located at the Property Address, the Purpose, Scope, limitations and exclusions of which are set forth below, and to provide the Client with a written Property Condition Report, for the sole use and benefit of the Client.

Purpose: The purpose of the inspection to be done under this Contract is to attempt to identify major defects in the items listed on the Property Condition Report, which are reasonably observable at the time of inspection.

Scope: The inspection to be done is limited to those reasonably accessible items (or parts of items), which can be seen or operated by the inspector at the time of inspection, subject to space and extreme weather limitations. Because of these limitations, it is possible that the Property Inspection Report may not identify all defects or problems present at the time of inspection, a risk that the Client understands and accepts.

Report: The Property Condition Report provided by the Company will contain the good faith opinion of the inspector concerning the observable need, if any, on the day of inspection, for the repair, replacement, or further evaluation by experts of the items inspected. Unless specifically stated, the report will not include and should not be read to indicate opinions as to any environmental conditions, presence of toxic or hazardous waste or substance, presence of termite or other wood destroying organisms, condition of fencing, landscaping or exterior irrigation systems, or compliance with any governmental code, ordinances, statutes or regulations, or the insurability, efficiency, quality, durability, future life or future performance of any item inspected.

Exclusivity: The property inspection and Property Condition Report will be undertaken and prepared exclusively for the use and benefit of the Client. No other person or entity is authorized to rely on the information supplied to the Client as a result of this Real Estate Inspection Contract. This Contract is not transferable to anyone in any form.

Dispute Resolution and Limitation, Litigation Costs and Venue: In the event a dispute arises regarding an inspection that has been performed under this Contract, the Client agrees to notify the Company within ten (10) days of the time the Client discovers the basis for the dispute so as to give the Company a reasonable opportunity to reinspect the property. In the event of a dispute that cannot be resolved by the Client and the Company, the Client has the right to seek resolution exclusively in the District Court or the Circuit Court of Montgomery County, Alabama. In no event shall the Company's / Inspectors liability to the Client exceed the amount of the inspection fee.

Severability: Invalidity or unenforceability of one or more provisions of this Agreement shall not affect any other provision of this Agreement. If possible, any unenforceable provision within this Agreement will be modified to reflect the parties' original intention.

WARRANTIES: That the inspection will be performed in accordance with Alabama Home Inspection Standards.

DISCLAIMERS:

THE COMPANY MAKES NO GUARANTEE OR WARRANTY AS TO ANY OF THE FOLLOWING (initial acceptance):
