WE NEED YOU

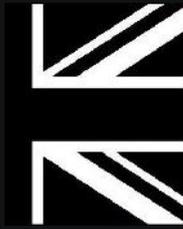

Thinking of your FUTURE?

Apply for Commercial Finance & pay for your training & licence over the next 2 years

Black Watch Tactical

Security for the FUTURE

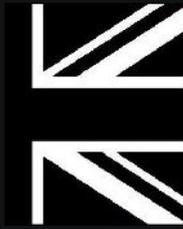

Welcome to Black Watch Tactical; an SIA approved Contractor with the Approved Contractors Scheme, which achieved its BSI ISO 9001, and ACS accreditation in the first three months of service and which has a Managing Director with 28 years in the Security Industry and in Risk Management.

We are security providers, with more than 100 years' combined front line experience in the Military and the Security sector that will find you the very best solution for your future.

We are the first point of contact for your business and our bespoke services now include Commercial Finance on all Training Courses, allowing you to pay for your course or courses & licence over the next 24 months.

With changes to the Events Industry you are now required to do a Level 2 NVQ Certificate in Spectator Safety (QCF). This is a qualification for individuals working as Stewards at spectator events, such as sports events, music events and festivals.

This qualification meets the requirements for training for Level 2 Stewards as specified in the Green Guide to Safety at Sports Grounds and the HSE's Purple Guide for Event Safety. It covers the knowledge and skills needed to control the entry, exit and movement of people, monitor spectators and deal with crowd problems at spectator events. It also covers assisting in managing conflict & dealing with accidents and emergencies.

We can now offer Commercial Finance on all SIA courses and build a unique package to suit your requirements like IOSH Managing Safely, Self Defence, one day Emergency First Aid plus a one day refresher course to be taken within the first year of your training.
