

The red horizontal lines and purple numbers are used in this chart to represent those numbers which can be found in the scriptures to determine the age of the Earth and all things pertaining to it. Faithfully God has provided from Adam to Christ all the years necessary to reconcile time from creation to our present day. There is something about looking at a graphical representation of the timing in the scriptures that open up new levels of understanding. It is my hope that those who are able to view this chart will be blessed with greater and deeper revelation of the Holy Scriptures to the extent that God will be glorified for the truth that he has given us through His Word.
