

# Here Comes SANTA CLAUS... Right Down or Near Your Lane

With a Little Help From The ....  
White Bluff – Rye Hill V.F.D.

**SUNDAY-DECEMBER 9<sup>th</sup> 2018 - 12:00 pm to 4:30pm**

**\*\* We will be starting our routes at 12:00 pm again this year—so please make appropriate plans \*\***

**SEE BELOW AND ON THE BACK FOR THE TIMES AND ROUTES FOR SANTA'S ANNUAL VISIT  
through the  
White Bluff—Rye Hill, Jenny Lind and Shadow Lake communities  
within our Fire District**

Santa Claus will once again be riding throughout our FIRE COVERAGE AREA handing out goodies and passing on Christmas wishes to all, with the help of **YOUR** volunteer fire department. SANTA will retire his reindeer for the day to catch a ride on the Fire Trucks. This will be a great opportunity for you, your children, friends and/or grandchildren to meet and greet Santa, as well as, for the residents of the communities we serve, to see some of our fire trucks and meet the volunteers who make our community a safer place.

We will be using multiple fire trucks, and with SANTA'S **MAGIC** he will be traveling **THREE routes between 12:00 pm and 4:30 pm.** More roads and expanded routes have been added this year (in our new fire coverage areas of Jenny Lind and Shadow Lake) so please review the routing guides that are located on the back side of this flyer. We cannot go down every street nor provide exact times we will be passing by or near your residence, so we ask that you keep your eyes and ears open (look and listen for fire trucks and sirens) to meet and greet SANTA! If you miss us along the route, please join us at 5325 Spring Mountain Road around 4:30 to 5:00 p.m. and SANTA will visit with your children there. SANTA will be gathering his things and heading back to the North Pole around 5:30 p.m.

**In the event of HEAVY RAIN / ICE OR SNOW on December 9th—that makes driving through the area dangerous—SANTA's visit will be moved to Sunday December 16th at the same times.**

**If you know of a shut-in, elderly person, disabled or other person in our area, that is unable to come out to the street to meet SANTA and think they would enjoy SANTA coming to their door and saying "Merry Christmas" with a few goodies, please call one of the numbers listed below with their name and address and we will make every attempt to make that happen.**
