### Wine Characteristics

Aroma	An extremely varietal wine. Shows fresh mint and hints of satsuma plums, cherries and some bell pepper provide layers to the aroma.
Colour	Dense dark purple with deep red hues.
Palate	The palate is densely packed with rich black fruits. Mulberries, cherries and dark concentrated raspberries complement the fine and elegant tannin structure that provide the persistence and balance of the wine. Subtle french oak adds yet another dimension to an already explosive palate. This is a wine that grows and changes in the glass and gives a little more each time you taste it. A great food wine.
Cellaring	This wine will benefit from another 2 - 3 years in bottle but will cellar for at least 10 years.
