Power Press

Newsletter of the Laurimar Netball Club

From the President

Hello to the Black & Teal members,

We're now well under way with the second season at the NPNA and to see new members at Power is absolutely awesome. The efforts of many at our club are being rewarded showing growth and the development of our club and members.

I would like to say welcome to Mernda Netball Club and I'm sure we will have plenty of years ahead to create a fun and healthy rivalry.

NPNA are feeling really good after putting together the first season of the association and looking forward to finish off the year with further success.

Again NPNA have had further interest from another club and teams interested in joining the NPNA for season 1 2020. LPNC will offer our assistance to future clubs and hopefully an announcement will follow shortly.

Netball in the City of Whittlesea is looking very healthy and with the development of further teams and clubs from this municipality will show real strength in the North. This will help to show the council that they need to start spending money and looking after the clubs and the Northern Pride Netball Association

The committee has been working on fundraising over the past months and you will see that the chocolates are arriving and we have the Whittlesea show approaching which is another great time to raise money for our club, so please do your part in helping us raise this money.

To all our members that wish to take their netball to another level please get involved in the trials commencing in October, more details attached in the newsletter.

Again please take the time to acknowledge our coaches as they have put in their time to assist the members of our club. I can't speak highly enough for the time and work that the coaches, team managers and all volunteers put in for the club.

We have our AGM approaching in October / November and your committee would love for more people to get involved,

Be proud of your club and continue supporting netball in the Black & Teal.

Regards

Adam Wharton

REBEL Sport Club Rebate Program

Did you know that our club can receive a 5% rebate from all purchases you make at Rebel Sport?

If you are already a member of the Rebel Sport loyalty program then all you need to do is tell the staff to link your membership to Laurimar Netball Club next time you are in the store. From that point on, our club will accumulate rebates each time you swipe your card. If you are not a member, make sure you tell them you are with Laurimar Netball Club when you sign up! All of the money received goes back into the club to purchase equipment.
