Bi-Monthly newsletter of the Laurimar Netball

## From the President

Welcome to the April edition of Power Press.

As I write daylight saving has finished and the rain is pouring down giving us our first taste of Autumn and ultimately winter netball.

It is timely to remind members that announcements regarding training and games being cancelled due to poor weather will usually be made on **Team App** so downloading this app to your smartphone and registering as a member with Laurimar Netball Club could be the tool that saves you a trip one evening or match day.

We also use our **Facebook** page Laurimar Netball Club to communicate many messages so if you are a user 'LIKE' our page to be kept up to date.

Since our last newsletter we have had two long serving members of our committee resign from their positions. On behalf of the club I would like to thank Yvette Davidson (Coaching Coordinator) and Treasa Gray (Registration) for their commitment to the club over a long period of time. We will formally acknowledge them both at the Junior Presentation on Sunday 14th June this year.

Thankfully two people have stepped into these roles with Adam Wharton taking up the coaching coordinator role with immediate impact. Adam has single handedly instigated a more rigorous tournament and development training program and has brought Bob Hudson to provide guidance and advice. This is a significant moment for LPNC as Adam and Bob bring a wealth of experience from their work with Diamond Creek Force who we feed players to for representative trials.

Nicole Pearson has returned to the role of Registration finishing off the work of getting everyone registered with Diamond Creek, Diamond Valley and Whittlesea associations. Both of these people have taken over the email addresses of Incoaching@hotmail.com.au and Incregistration@hotmail.com.au respectively should you need to contact them.

Finally, we also need to thank Nicole for her persistence in getting our Net Set Go children on to court during a Melbourne Vixens game on Sunday 19th April. This is a great opportunity for the kids and families and I hope they really enjoy it. Go Power NSG!

Ian Landy (President LNC)

## Volunteers raise \$850 for new match and training balls

The Bunning's Mill Park BBQ once again raised in excess of \$850 for our club which will go along way to paying for the new team match day balls and training balls we need to replace each year.

Many thanks to all of the volunteers over the day who gave their time to serve the hoards of people willing to eat a sausage or buy a can of drink in support of local clubs and charities.

We are grateful to Bunning's Mill Park for the opportunity to do the fundraiser each year and raise such a lot of money in one day.

## Supporter News— Ferguson Plarre Bakehouses

Following recent discussions with Jacqui and Nicole at the new Ferguson Plarre in Laurimar some significant support has been offered to our club through Francisee, Anita Spokes.

As a former netballer Anita expressed her appreciation of clubs that offer health, community and connectedness mirroring all of the key platforms our club is based on.

Ferguson Plarre has started the support with some great offers in this newsletter (see below) and future opportunities including the Baby Chino program.

This program offers customers the chance to make a gold coin donation for Baby Chino's that are ordered with all proceeds over a 4 month period going to the organisation chosen by the franchise. Doreen PS and Arthurs Creek PS have been the first recipients and we have been promised the July to September period.

Other oppornities will be explored during the year, but we ask that our members support the businesses that are so willing to support us.

These businesses are listed in our supporter strips on the sides of the newsletter pages.

Ian Landy (Sponsorship and Supporter Coordinator).

## Junior Committee News

Junior Committee want to wish good luck to those players who are playing upcoming Blaze tournament.

Over the past few months, we have been busy organising few things. The beanie sales have been going really well, so far we have sold 17 beanies for \$10 each, if you want a Beanie for cold winter days contact Chloe Freeman to get one. We as the junior committee did exceptionally well at the Laurimar town fair, running small netball activities, raffle selling which resulted us raising \$150 for the committee. The second hand uniform has started happening, so if you have any uniform that you don't want to sell you can hand it over to Ashlee Landy and she will sell it on your behalf.

Keep up with the good work everyone, this season has started off smoothly.

Note: Elections for Junior Committee for 2015/16 will take place at the club Annual General Meeting and nomination forms are included in this club newsletter.

Kind regards the junior committee team  
Chloe, Liana, Ashlee, Tanasha, Kate and Jasmine

## Blaze Tournament —Season 1 2015

Preparations are well underway for the first tournament of 2015, the DC North East Blaze Tournament. LNC has entered 6 teams in this competition including two Under 11 teams, two Under 13 teams, and one Under 15 and one Under 17 team.

An innovative training program kicked off before the school holidays on Monday nights at Laurimar PS and continued during the school holidays in an effort to develop the players and present our best possible teams on tournament day.

Thanks go to Adam Wharton for his efforts to organise these training sessions and for bringing Bob Hudson's expertise to the first of these sessions. Bob has much experience and was most recently the tournament coordinator for Diamond Creek Force.

The team Coaches are:

U11's— Lisa McBain, Kristie Ferguson,

U13's—Adam Wharton, Kath Scott

U15's - Olevia Pritchard

U17's—Ian Landy

Thank you to these coaches for giving up their time at training and on the tournament day.

Teams will be announced shortly and we wish all players and coaches the best of luck for a successful day.
