From the President

Welcome to the August Edition of Power Press and the start of a new season.

But before we say goodbye to Season One I would like to congratulate all of the teams on their performances representing our club, and in particular the teams that made finals and Grand Finals. Congratulations to the players and Coach Julie Buckingham from the Thursday night U13 Strike who have been added to our premiership club. And although Netball is a team sport, special congratulations to players recognised by their teams as the Most Valuable Player, MVP Runner Up or by Coaches Award. In Season Two we have passed 250 members and now have 28 teams plus a full Net Set Go group playing or practicing 6 days a week. Our committee and volunteer coaches are inspired by this member support to offer many opportunities that are mentioned in this newsletter.

We have another Tournament opportunity for our Junior members coming up with trials planned at the end of August. If you are available to play on Sunday 21st September get down and try out for these teams. Even if you don't make it, the experience of trialling against your club members will make you a better player.

Our club photos will be taken at the start of September. We only take team photos once a year so don't miss your chance to capture the memory. Special arrangements will be advertised and thanks to Kath Scott for organising the photographer.

If you have not paid your match fees yet for this season please deposit this money into the club bank account. Your assistance with this makes the task of accounting for fees so much easier for the volunteers on the committee who are tasked with this each season.

Recently Laurimar Netball Club launched the use of Team App which is a smartphone application which allows for direct communication with club members on information relevant to them. The directions to sign up to Team App are contained inside. Team App will be added to our regular communication channels including emails, electronic and hard copy newsletter, Facebook and website.

And check out our new merchandise offering we are working on. Fashionable, stylish and with input from the Junior Committee.

Finally, we are pretty full across most age groups, but if you know a senior player who would like to play on a Wednesday night social team at Community Bank Stadium in Diamond Creek put them in touch with Treasa (details inside). All age and ability levels welcome.

Go Power!

Ian Landy (President LNC)

Premiership success - U13 Thursday Strike

Congratulations to the Thursday night U13 Strike team taking out the Premiership for Season 1 of 2014.

In an incredibly exciting game the girls defeated the top team by 1 goal in a brilliant display of controlled netball under enormous pressure.

This team has now been added to our very proud display of Premiership teams that can be found on the www.laurimarpowernetball.com.au website.

During Season 1 Laurimar Power had 14 teams make the finals and 6 of those teams make the Grand Finals.

Well done to all of those teams on your success throughout the season and on representing Laurimar Power so proudly. Go Power Premiers!

Team Photos

Laurimar Netball Club will be having team photos taken by the same company that did such an awesome job last year. The photos will be taken on either Monday 1st September or Thursday 4th September. A schedule for the photography will be sent to all families once determined. Photos must be ordered and paid for at the time of photographing just like school photos.

\$15 each
Orders will only be taken with cash payment on the night

Registration News

The Laurimar Netball Club continues to grow in size with our membership now pushing past 250 for this year. We now have 4 Under 9's, 5 Under 11's, 5 Under 13's, 3 Under 15's, and an Under 17 team in juniors. Our Net Set Go group is full and has a waiting list. In the Seniors we have 2 NNL teams, and 8 Senior teams competing over 4 days and nights. This is a total of 29 groups with 21 junior coaches and 1 senior coach providing the backbone to the organisation. We have a few places remaining in juniors for this season, but we are really in need of some Seniors for Wednesday night competition at Community Bank Stadium in Diamond Creek so if you know someone that would like to play netball get them to contact Treasa on Incregistration@hotmail.com.au or 0418-101-753

Fundraising News

The Power Football and Netball Clubs held a Cocktail Fundraising night during June. Congratulations to the organising committee who raised \$1151.18 from the function for the Netball Club. These funds will be used to put the new posts in and purchase the outdoor post padding at Hazel Glen College. Special thanks to Mel Wosgien for all her work in helping to organise the night.

LNC Training Schedule

Laurimar Netball Club offers members the opportunity to train with their team mates under the guidance of volunteer coaches during the week to help develop individual player skills and team strategy. All coaches commit to one training session per week and players are encouraged to attend. If a player is unable to attend their training session due to other commitments then that player is offered the opportunity to train with any other team during the week to keep up the practice of their skills and to improve their general fitness. If a player is unable to attend training they should communicate this to their coach. Game time for players will not be affected by the ability to attend training. Coaches will only cancel training if the conditions make it unsafe to train. If the conditions are deemed unsafe to train (eg. Water on the court makes it too slippery) then the coach will cancel training and contact the player (or parent) to let them know. Our club policy is to wait until at least 2 hours before training is due to commence before calling a session off. This late call is designed to make sure that the conditions are not going to change and that it is definite that training cannot go ahead. Assume training will always go ahead and contact your coach if you are ever unsure.

Net-Set-Go News

Net Set Go started for Season 2 last Thursday night at Hazel Glen College with a full compliment of eager participants. We now have the new adjustable posts available making it possible to set the post height at a skill appropriate level of all of our participants.

Net Set Go runs for 15 weeks this season and will finish on Thursday 27th November immediately before our Junior Presentation Day on Sunday 30th November.

We have a waiting list of players to join Net Set Go so if there is somebody in club or community that would like to join our coaching team we could have a second group this season. We will definitely have a second group next season so keep this in mind if you know a prospective Net Set Go Coach. For all enquires contact Treasa on 0418 101 753.

Nicole Pearson (Net Set Go Coordinator)

New Merchandise

The club and junior committee are working on a new warm up jacket for our netball players.

The jacket will zip up at the front and be made from soft shiny fabric that is fleecy on the inside. It will have a hooded top and pockets at the front and it will include netball logos and the option to put the player name on the back.

The sample jacket has been designed and made by Daluna Sportswear who make our club dresses. Many thanks to Caroline and Peter for their work on this.

www.daluna.com.au for all your sportswear needs.

Stay tuned for more information on this exciting new product.

Great Sense of Community

A real Church, with real People, **Gathering as a real Family, Loving a Real God!**

If you have been looking for a church near you, or simply wanting to explore faith, Cornerstone Church is the place for you. We provide a safe place no matter where you are on your spiritual journey, to ask questions. Cornerstone is a relatively new church and it's a place where you can explore authentic Christian faith in a very real God, with like minded people, and make great friendships with people who are experiencing God for themselves.
