## From the President

Welcome to the Winter Edition of Power Press.

Since our last edition plenty has happened, and we are on the verge of some major events to come. Our performance at the Blaze Tournament in May was an outstanding success with teams performing very well in the wet weather and coaches and parents thrilled with the outcomes. Thanks to all who took part in trials, teams and coaching. Our next tournament is in September at the start of the school holidays in Cragieburn.

And we had a great response to our Vixens ticket offer taking about 50 members to the last home and away game. We saw the awesome power of the Melbourne team who we hope will be premiers this season.

Most recently we did our re-registration day, AGM and Junior Presentation with thanks to the Laurimar Primary School for providing the venue. Congratulations to all of our award winners and thanks to Committee for all of the behind the scenes work to make our re-registration process so smooth. A new committee was elected with familiar faces and the inclusion of Calvin Crawford. Welcome Calvin. Coming up is the joint Power Football and Netball Club Cocktail Night which is our major fundraiser of the year. Come and enjoy a great night of games, raffles, auctions and a mystery major prize. Tickets available through Mel at [Incmerchandise@hotmail.com.au](mailto:Incmerchandise@hotmail.com.au) with payment direct to the club bank account. Details inside.

And this is then followed by the Senior Presentation Night at Laurimar Town Park with thanks to the Power Football Club who will provide the bar. We look forward to tallying the player votes and recognising the MVP and Runner Up for each team.

We have senior and junior teams about to embark on finals. Best of luck to all.

Go Power!

Ian Landy (President LNC)

## Melbourne Vixens Game

We had a great turn out for the Melbourne Vixens vs West Coast Fever game at Hisense Arena this year. The train trip, the group seating and the travel home all in our club colours gave the day a great look and feel for the unity of our group.

And most exciting was for our 'younger' vixens fans to see their heroes up close and live.

A home Vixens game has become an annual event on the Power calendar so look out for tickets to a game next year and join us in this great club initiative. Thanks to Mel Wosgien for organising the group booking and the tickets.

**Tournament News**

Well, it poured rain all day, but no one seemed to care with all the fun we had.

Teams were entered in the U11's, U13's, U15's and the U17's played in the U15 A Grade competition to give them a game. The 11's were undefeated for the day, but the 13's struggled in the wet conditions. The U15's finished 4th in their grade and were the first Power tournament team to play in a tournament final. They went down, but not without a fight. And the U17's won some and lost some but finished at Macca's which was a win in their eyes. Next tournament is Craigieburn on the first weekend of the Term 3 school holidays. Thanks to Adam, Kath, Ian and Bridie for coaching.

**Junior Presentation - Season 1 2014**

Congratulations to all of our award winners for this first season.

## Registration News

A big thank you to all players and families for coming along and re-registering for the 2nd season. There was a lot of great feedback on our registration process and the combination with the junior presentation day. Going into the future we are setting up an on-line registration process with Fox Sports Pulse that will allow members to Register and pay for membership and match fees on-line via credit card.

We expect this to be ready shortly and will have everyone on-line by our December registration for 2015.

With those that have re-registered we will be starting the process of adjusting teams for second season. If you have not re-registered and intend to play send an urgent email to [Treasa.Incregistration@hotmail.com.au](mailto:Treasa.Incregistration@hotmail.com.au)

The club direction with the formation of teams is to have a team in each grade of competition in U9's, U11's, U15's and U17's so a small sub-committee will be making judgements on player ability and their development over the first season in 2014. This is combined with feedback from coaches on how their team members are going.

Teams for second season are expected to be sent out prior to school holidays allowing coaches to get in touch regarding training arrangements on return from holidays. Competition starts again in the first week of Term 3.

## Net-Set-Go News

Congratulations to our Net Set Go girls who have participated in this programme over the past two terms. Our last session is this Thursday, the girls have been such a delight to teach our great game.

Congratulations to Emma, who graduated from the program and I look forward to hearing about her experience playing netball on a Saturday. Also congratulations to Amelia, Char, Lyla and Bianca who also help build a team earlier in the season.

I look forward to seeing all the girls and more next term, and we will definitely see more graduates at the end of the next programme ready for 2015!

Well done girls!

Nicole Pearson (Net Set Go Coordinator)
