Bi-Monthly newsletter of the Laurimar Netball Club

From the President

On behalf of the Laurimar Netball Club Committee welcome to our new members and welcome back to our continuing members. It is great to have you back.

The 2013 year was a triumph with Laurimar Power Netball continuing to show we are a great club with great people. With approximately 220 members ranging from Net-Set-Goers to Senior teams, we have a massive impact on local netball and the local community.

This is backed by a terrific group of volunteers who give up their time to work on the committee. They have been working behind the scenes during the holidays to be organised for the 2014 season.

In 2014 we aim to continue to provide access to our members, but to add opportunities to be involved in Coaching, Umpiring and Representative teams.

The new season commenced for our Senior and Saturday teams last week, and our Thursday night teams will kick off on Thursday 20th February. We wish all teams and players the best of luck with their new season.

Many thanks to Treasa Gray (Registration) and Yvette Davidson (Coaching Coordinator) for their work in organising the teams, coaches, competition entries and training schedule. This information is available inside.

Some teams still require players so if you know someone who would like to play netball direct them to www.laurimarpowernetball.com to get a registration form and follow the instructions.

This newsletter will be issued every second month so look out for the next edition in early April when we will update you on team progress and all other news around the club.

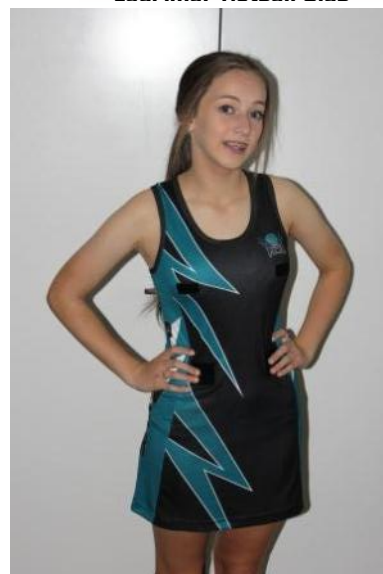

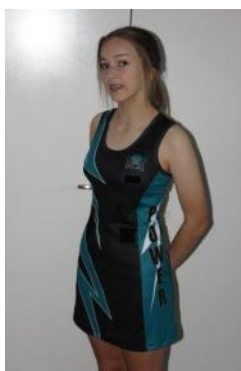

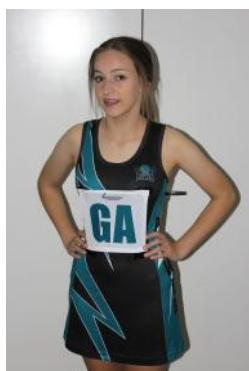

For information about the club at all other times go to www.laurimarpowernetball.com and don't forget to 'friend' us on the Laurimar Netball Club FACEBOOK page.

Go Power!

Ian Landy (President LNC)

Registration News

We had a terrific response to the LNC Registration day held at the Laurimar Primary School in December last year. The majority of members and a large number of new players were registered, ordered uniform and paid fees for the 2014 season.

Many thanks go out to the people who helped with this process and to the Bendigo Bank who provided the EFTPOS facility. Our teams are well placed to start the season, but we can always accommodate more members if you know someone who wants to play Netball.

Registering with the club is as simple as going to the club website www.laurimarpowernetball.com --> Download the Registration Form --> Fill it out --> Return to our Registration Coordinator --> Pay your membership, uniform and match fees. Our Registration Coordinator, Treasa will then be in touch to arrange contact with your coach and team.

Membership fees for 2013 are Junior (Net Set Go - 17 years) \$60 and Senior \$80. This fee must be paid before players can be registered with the club and allocated to a team.

For further information on joining Laurimar Netball Club contact Treasa 0418 101753 or Kath 0403 971499 or email lncregistration@hotmail.com.au.

Merchandise News

During the season break our Merchandise Coordinator, Leigh Kisielewski resigned from the committee for personal reasons. We thank Leigh for the countless volunteer hours given to the club in her time as our fundraising coordinator and merchandise coordinator and wish her all the best. Mel Wosgien has taken up this role and will be taking all new orders from the start of the season. Mel will use the lncmerchandise@hotmail.com.au email address or can be contacted on 0409 442055. Thanks to both Leigh and Mel for the seamless transition of looking after our uniforms and other club clothing.

Bunnings BBQ Fundraiser

LNC will be at Mill Park Bunnings on Sunday 23rd March selling sausages and drinks to raise funds for our netball club. This is a great fundraiser which is well supported by the community and helps promote our club.

On this day we will need the assistance of parents and senior club members to run the BBQ, serve customers and handle the money. If you would be available for an hour or two on this day contact Mel on lncmerchandise@hotmail.com.au.

LNC Funfields Day

LNC has planned a club fun day at Funfields in Whittlesea on Sunday 16th March.

Tickets will be on offer for \$30 and the club will be offering a BBQ lunch for all club members and their families who attend.

More information will be advertised to all club members closer to the date and tickets will be available for purchase to book your place, but reserve the date for a great LNC event.

NFL becomes NNL (Northern Netball League)

Following the successful introduction of a Senior NFL team in 2013 Laurimar NC is planning on entering two teams in 2014.

The Northern Football League has rebranded the competition for next year giving the league it's own netball look and feel.

The competition remains open to incorporated clubs only, maintaining the quality and competitiveness of the league.

In line with our desire as a club to offer a more competitive stream for talented senior players, Laurimar NC has appointed and welcomes Bridie Flagg as the Senior NNL Coach for 2014. Bridie comes to us with extensive playing, umpiring and coaching experience interstate, and more recently as an assistance coach with Greensborough Football/Netball Club.

Try outs for the NNL teams conclude Friday 14th February 2014.

We require more Senior players for these teams so come down and try out.

The competition commences in April and concludes in September and is played on Friday nights at venues in Bundoora.

For enquires relating to this opportunity contact Ian Landy on lncpresident@hotmail.com.au or 0409 571416.

Net-Set-Go News

The beginner Net Set Go Program is filling up fast with only a couple of place left. If you know someone that would like to be involved this season have them contact Incregistration@hotmail.com.au urgently.

The Net Set Go program is run from the Laurimar Primary School Outdoor Netball court. If it is raining, we are lucky enough to hold the program in the gym. All sessions will be held on a **Wednesday from 4.30pm to 5.15pm**. Our first session will be on the **5th of March**. We will break for the school holidays and then resume for all of the second term (**end date 25th June**). All participants will receive a pack at their first session which consists of a netball and a t-shirt.

Due to the age of the children participating in our program we ask that all participants are accompanied by a supervising adult. Out of respect for the school and their facilities we request that no food is to be consumed in the gymnasium prior to or during our Net Set Go sessions. Participants are required to wear runners and bring a bottle of water.

For our program to run most effectively we also need assistance from parents, mainly throwing a ball to the kids. If you are willing to help please let me know.

I look forward to meeting our NetSetGo children and their families on Wednesday 5th March
