Power Camp

Rescheduled for Queens Birthday Long Weekend

Power Camp has been rescheduled for **10th to 12th June 2016**.

We have chosen a long weekend so that we can leave on Friday 10th June at 5.30pm and return Sunday 12th June at approximately 5pm. This allows for a rest day on Monday 13th before everyone goes back to school and work.

The camp will be at Campaspe Downs Kyneton, it is a PGL company run facility that conduct adventure camps for schools, sporting clubs and other organisation.

We will be taking the players who will be in the age groups of U11's to U17's in the 2016 season.

The Junior Committee will be putting funds they raised during the 2015 season towards the camp which will bring down the cost for everyone attending. Details of the updated costs will be made available soon.

There are a wide range of challenging and fun activities at the camp such as abseiling, archery, flying fox, canoeing, ropes courses and more. This will be a great team bonding opportunity and help the kids to further develop their confidence and friendships within the club.

Additional information such as a full list of activities and general information sheets are available on the Events section of the Laurimar Power Website.

Online registration for the camp will open next week.

If you have any questions please contact Adam or Joanne Wharton.

Laurimar Town Park Storage

On behalf of club members and the LNC Committee I would like to extend my thanks to Whittlesea Council for the development of the Laurimar Town Park Pavilion. As well as significant facilities for Australian Football and Cricket our club has benefited through a storage space that has allowed us to consolidate all of our club resources into one location.

And through the generosity of Neil Pearson, Jason Scott and Adam Wharton shelving has been erected in the storeroom to maximise its useful capacity. Special thanks to Neil, Jason and Adam for giving up their Saturday morning to get this important job done.

Asthma Puffers

A friendly reminder to parents to bring your Asthma puffers to all games.

Training BBQ

We will continue to run a BBQ during each Monday night training session until the end of daylight savings. This means you can bring your kids down to training and dinner is sorted!

Sausages are just \$2 and all funds raised will go to the club.

Baby Cino Fundraiser

What a fantastic outcome from our Fundraiser at Ferguson Plarre last year. The Laurimar franchise kindly made Laurimar Power Netball Club a recipient of the money raised for providing Babychino's to customers. The store has given the club \$640 which will go towards our fundraising goal to support our new training facility at Laurimar Primary. They have also agreed to support the club again this year with this fundraiser, so please get behind Ferguson Plarre in Laurimar.

Masters BBQ Fundraiser

Many thanks to the parents and players who volunteered their time at our first major fundraiser of the year. We managed to raise \$450 which will go toward the court facility improvements at the Laurimar Primary School.

Maddison, Rebecca and Montana give a helping hand.

Junior Committee Report

The Junior Committee had its most recent meeting in February. We discussed the need to begin advertising for new members to join as some of our team are no longer Juniors. Kate, Chloe F, Ashlee and Liana will be leaving the committee at the next elections so this will open up opportunities for current and new members to take on new responsibilities.

We also had some new ideas including having some music at training. We tried it out last Monday with some positive feedback so we will continue with this on court one as long as it does not distract players and coaches or upset the community.

Our next meeting is in April and we have been challenged to bring new ideas. If you have something you want Junior Committee to discuss or put forward talk to Liana, Chloe F, Kate, Ashlee, Jasmine, Chloe B, Bec, Holly, Chelsea or Ashtyn.
