Banyule Competition for 2017

In 2017, we plan to provide our junior players with a wider range of competition options.

We will continue to participate in the Diamond Creek Force Netball Association (DCFNA) and Whittlesea & District Netball Association (WDNA) competitions held on Saturdays, Wednesdays and Thursdays, however in addition we will offer a Saturday competition being played at the Banyule & District Netball Association (BDNA) competition.

The BDNA competition teams will be formed by invitation after trials and subsequent selection. The teams entered will form a key part of our tournament team development program. Players that are selected to participate in the BDNA competition will be entered in high level tournaments usually for Association teams. The entry to BDNA will provide the opportunity for the selected teams to play regular competition together between Association tournaments.

Trials will be held on Saturday 26th November & Saturday 3rd December, 2016 .

Go to our website at www.laurimarpowernetball.com for more information and to [register](#) your interest.
