- > End of Year Presentation  
19th November 2017

## From the President

It's time I put pen to paper as we have reached the end of a very successful year. The club continues to grow with the teams now playing in 3 associations which was unimaginable in netball circles. We have the largest number of teams in U9s and equal number of U11s teams at DCFNA. This will put our club in good stead for future pathways in netball.

We have achieved a lot this year, with some of the highlights being:

- Lighting for court 3 to enable extended training during winter
- A new major club sponsor in Barry Plant Doreen. Thank you John Heath
- The dedicated presentation for Net Set Go, U9's & U11's with nearly 300 in attendance. Wow!
- Power Ball for our U13's, U15's U17's & senior members with 200 in attendance.

The club raised the largest amount of fundraising money in the club's history which is so important as it goes to the ongoing purchasing of equipment, supporting the presentation nights, and towards facilities which are of particular importance for a growing club. The club has already committed \$20,000 over 4 years to Laurimar Primary School's first roof enclosure and a further \$25,000 will be invested in a roof and lighting for court 3, with 50% of that investment coming from a grant awarded to LPNC by MP Rob Mitchell. Thankyou also to our junior committee for their involvement in raising money for the above areas as well.

The relationship between Laurimar PS and LPNC continues to be strong, and we are now working together on stage 3 of our venue which is very exciting for the future and women in sport. Thank you Jason Mcbean, Danielle Green and Rob Mitchell.

Our club is recognised at Netball Victoria level as well as governing bodies throughout the City of Whittlesea council. They are now working with our club and its vision for future development of our venue.

We have members representing our club at Rep level at Diamond Creek, Banyule, Plenty Valley and Doncaster netball association's and our first Jika player. This is something we should be very proud of as it shows our structures, coaches and supportive nature have what it takes. Thank you coaches!

All this happens because you have a club and a committee that work incredibly hard and volunteer their time without hesitation. To our volunteers and club committee members I can't thank you enough. It's what we do together that makes Laurimar Power Netball Club what it is today.

So ask not what your club can do for you, but what you can do for your club.

### **This Is Your Club Be Proud.**

I look forward to seeing you all in 2018, please have a Merry Christmas and a Safe and prosperous New Year.

Adam Wharton  
LPNC President
