Newsletter of the Laurimar Netball Club

From the President

The Committee has been very busy working on the our vision for the future of LPNC 2019 and beyond. The care taken looking after the interest of the members is second to none. I thank each of the committee in their work ethic and support in what has been a very busy period for our club.

LPNC are very excited to announce the Intra-club season that will commence on October 13th at Laurimar Primary School. This will run like any other netball season finishing up on December 15th with our LPNC Presentation / Christmas Family day. This is going to be a massive end to the year and lots of fun for our members.

The plans for the intra-club season started immediately after the announcement by the Diamond Creek Force Netball Association (DCFNA) that they may not run a second season due to renovation works. Given the lack of clarity regarding the second season, LPNC decided to move ahead with our own club season to benefit our members.

Of late, DCNFA have confirmed that they will be running a short 2nd season, however due to the late announcement and no details confirmed, the club has decided to continue with the plans to run an intra-club competition. Registrations for this competition will open prior to the end of August 2018.

We would also like everyone to take the time to acknowledge our coaches as they invest a lot of time and energy to in the players and have been rewarded in some pretty unusual ways. I can't speak highly enough of them and truly thank them for their commitment.

We also acknowledge the work of the volunteers, from team management through assisting with fundraising, canteen duty and BBQs.

Our club has been asked a lot of questions throughout the year and with the hard work of the committee, volunteers and the coaching group, we have come out looking stronger for the experiences.

I'm very proud to be the president of this club and represent the members

Regards

Adam Wharton
