Newsletter of the Laurimar Netball Club

## From the President

Hello to the Black & Teal members,

We have completed our first term of the new competition at NPNA and it has exceeded all of our expectations. It's great to see the support our club is showing each other and the development of our new members.

Discussions with NPNA are positive and proactive with the development of the competition. They have had contact from a couple of clubs and teams interested in joining NPNA and are working with them with every intention of supporting these clubs and teams of the future. LPNC have offered our assistance to one of the clubs and hopefully an announcement will come in the near future.

The committee have been working in a number of areas, the energy from our new committee members is going great guns. The POWER BALL has been organised for 2019 and being the 3rd time we have held this, it is always a great event for the club. We are excited to announce the 1st Junior Disco for our younger members at the Laurimar Sports Present (Laurimar Football Club rooms) which will be a nice change up from Skaterz. While the kids are kicking up their heels, the bar will be open for the parents to mingle and enjoy the night. Please save the dates as both events are sure to be great nights. The Power Ball will be the 28th of June and the Junior disco will be the 22nd of June.

The City of Whittlesea will be announcing the Netball / Basketball planning for the future this month and we've had positive feedback in this space with regards to our club and the new Association facility. Fingers crossed that we will all be very happy with the announcement from our council.

Registrations will be opened on the 8th June for each of you to register for Season 2, so get in early so we can get the teams sorted as soon as possible.

Again please take the time to acknowledge our coaches as they have put in their time to assist the members of our club. The work of the volunteers, from team managing through to assisting with fundraising and BBQ's, I can't speak highly enough of them and truly thank them for their time.

We continue to work together to improve our club, committee, volunteers, coaching group and the effort has been well worth it as we are stronger than ever.

Be proud of your club and continue supporting netball in the Black & Teal. Regards

Adam Wharton LPNC President
