Re: After School Activity

Dear Rosaryville Kindergarten, 1st, 2nd, & 3rd Grade Parents,

My name is Andrew Barrientez, Jr. I am the Master Instructor at Yong Sung Lee Hapmudo Martial Arts Studio. Our Clinton location has proudly educated kids and adults in Martial Arts for over 30 years. With pleasure, I am bringing my Success Achievement Fitness Enhancement (SAFE) program back to Rosaryville Elementary to enhance your child's self-esteem and promote fitness.

The goal of my SAFE program is to develop the character of today's youth and have fun, while supporting the schools in my community. The SAFE program will be held at your school on **Tuesdays & Thursdays** from **October 9th to October 25th**; after school from **2:30pm – 3:15pm**. The program covers character-building skills along with safe & structured Marital Arts fun. The character building lessons will include:

- WEEK 1 – October 17 & 19 Self Control & Listening Skills
- WEEK 2 – October 24 - 26 Acts of Kindness and Service
- WEEK 3 – October 31 & 2 Goal Setting Skills
- Graduation Party Nov 4 SPECIAL AWARDS GRADUATION! (12pm-1:30pm)

The cost of the program is only \$50. Participation is only open to Kindergarten, 1st, 2nd, & 3rd graders. Only the first 20 children who register will be able to participate. Space is limited. Don't wait! Slots will fill up fast.

At the end of the program there will be a special graduation pizza party at my school to recognize the accomplishments of the participating students. This will be a time of celebration! The students will demonstrate the skills they have developed, and receive graduation certificates while enjoying an exciting pizza party with plenty of games and fun.

Best regards,
