INT. BEDROOM -- EVENING

Lady, SARA, mid twenties is at the end of the bed wearing
nightgown. She is putting cream moisturizer on her legs. Man,
JERRY, mid thirties, walks out of the bathroom brushing his
teeth wearing pj bottoms

JERRY
(still brushing
teeth)

So what you are telling me is that this
guy, is...wait one sec

Jerry goes back into the bathroom and spits out and rinses.
Jerry comes back out.

JERRY (CONT'D)
...that this guy, who is as dumb as
flint, got partnership at the firm
that you have been waiting for

SARA
Yep

JERRY
And you have been pushing all those
hours, and all that extra law briefs
for nothing

SARA
Well I would not say nothing, but yes,
I have been doing extra to get in with
the partners

JERRY
That's bullshit

Jerry gets into bed, sitting up against the headboard

SARA
Its politics

JERRY

No, its nepotism

SARA

Well there is nothing I can do about it

JERRY

Quit

SARA

I can't quit.

Sara gets into bed leaning against the headboard

SARA (CONT'D)

I have to stay. If I leave now, I wont be hired anywhere because I would be considered difficult. Other firms think that I didn't get my way so I just quit. I have to stay

JERRY

There has to be something you can do

SARA

Besides sleeping with my boss, no.

JERRY

What do you mean by that?

SARA

Nothing

Jerry bolts up and looks at Sara

JERRY

Sara!

SARA

Look we had been out for drinks with a client. He had one too many, and tried to kiss me

JERRY

What?!

SARA

Look, I shut him down alright? Its nothing new. It goes with the

territory. Anyway, he hasn't tried anything since. I don't even think he remembers

JERRY

Who was it?

SARA

Look, it doesn't matter okay. I just have to bide my time. There will be an opportunity eventually and I will get it then

JERRY

Are you sure you are going to be able to handle this?

SARA

I have to.
