RE: The Annual California Association of Taxidermist (CAT) Art Show March 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> 2018.

Hello CAT Membership. We missed a lot of you at the Annual CAT Show this year. We also know that the weather was difficult for traveling. CAT values your contribution both as a competitor and member. It's our sincere hope that you are able to join us at the next annual show or at any of the upcoming seminars.

CAT has become one of the largest taxidermy associations in the country due to the participation of its members. The fact that they have always given more than expected; helping novice, juniors, and experienced taxidermists alike makes it one of the best. Each year the association puts on a show as well as seminars for the members to better their skills and abilities.

Annual membership goes from show to show. With your support we will continue to grow. Membership applications are available on our web site for your convenience. We look forward to seeing you at the 2019 Show on March 7<sup>th</sup>, 8<sup>th</sup> & 9<sup>th</sup>. The location will be the same, at the Yolo County Fair Grounds.

If you have any ideas or thoughts on how to make our show better, please let any CAT Board Member know.

We appreciate your continued support. We look forward to seeing you at our next event.

Sincerely,

Board Members  
California Association of Taxidermists
