

Midori is dedicated to honoring the art of hospitality and the craft cocktail. We are committed to using innovative and modern techniques to create unique flavors and experiences for our guests. (But we know the importance of an old classic too.) We always use the freshest ingredients possible, such as our house made syrups and purées, fresh herbs, fruit, and fresh squeezed juice to order. We take great pride in our commitment to serving you the finest beverages and believe you will taste the difference.
