Find out how and why membership in FCF is vital.

### **Where is the French Creek District?**

The District runs along Detroit Road from Avon Commons west to French Creek Road, and along SR 611 from Detroit Road north to Harvest Drive.

## **Why is Revitalization Important?**

Revitalization beautifies our City by creating a pleasant and defined downtown district, featuring unified architectural elements, such as the addition of sidewalks and park benches, scenic landscape, plazas and other amenities.

FCF aims to create a charming downtown core area that encourages people to gather and frequent more often.

The development of the District provides:

- A more defined town center;
- An increased sense of pride in our community;
- A preservation of historical landmarks and architecture.

## **Activities**

FCF hosts several events each year to bring interest and vitality to the downtown area:

### **Pancake Breakfast & Easter Egg Hunt**

Two weeks before Easter

### **Fall Into Avon Festival**

### **Tree Lighting Festival**
