

# “Bush 41 Library & Santa’s Wonderland” Tour

November TBA, 2019 (Day Trip)

## \* Tour of George H W Bush 41 Presidential Library

Sworn in as the 41st President of the United States on January 20, 1989, George Herbert Walker Bush helped usher in a new and more hopeful geopolitical era marked by the spread of freedom and free markets. During his historic term in office, the West prevailed in the Cold War; the Soviet Union gave way to a democratic Russia; the Berlin Wall “fell” and Germany was unified within NATO;

President Bush signed two treaties to drastically reduce the threat of nuclear war. After Iraq’s unprovoked invasion of Kuwait in 1990, Mr. Bush forged an unprecedented coalition of disparate nations to uphold international law. His deft handling of this international crisis enabled him to convene the Madrid Peace Conference later in 1991.
