

Brant Condominium Corporation Association

To Educate and Advocate

CONDO SERVICES DIRECTORY

Updated August 9, 2017 and replaces all previous editions of the directory

The BCCA has created this service directory of contractors and companies who are willing to do work for the condo industry in our local area. We hope it will help you in contacting companies servicing your requirements. All entries are the result of submissions by directors of boards, owners and managers from our area condo communities. We hope it will be helpful to have this directory of names of those willing to work in condo communities in Brantford, Paris, St. George and surrounding communities.

The BCCA makes no endorsement of any person, contractor or company in this directory. Before hiring anyone, it is your responsibility to ask for references and to check them thoroughly. Do your research and make sure that anyone you hire has proper insurance and WSIB. You can also get a feel for a company from their website so if there is a website, check it out too.

If your condo community has not contributed to this directory, we encourage you to do so. You can do this at any time by emailing Michelle our Administrative Assistant (info@mybcca.ca) or Board member John Gilson who is maintaining this directory (john_gilson@rogers.com). The contractors you work with will appreciate seeing their names in this directory. We publish updates on a regular basis. Please check our website (www.mybcca.ca) for the latest directory. Our contact information is also on the website's *Contact* page.

If you spot an error of any type such as a spelling error, a wrong name or phone number, please let John know as soon as possible so we can correct the error. Please also let John know if you would like to add a contractor or update contractor information.

The BCCA is here on behalf of all Condominium Corporations in Brantford, Brant County and surrounding areas. You can now access minutes of our meeting on our *Minutes* page

on our website. You are also welcome to attend our Board meetings. Most months we have a guest speaker on a topic of interest to the condo community. Check the *Events* page on our website for dates, locations, topics and guest speakers. We meet at 1 p.m. on the first Wednesday of each month in the *Brant Mutual Insurance* building in the *Community Room*, 20 Holiday Drive, across from the Best Western and next door to New Covenant Church. Park in the parking lot at the rear of the building where the entrance to our meetings is located.

The BCCA is your voice on condo issues in our community to our city and county councils and your liaison to the Canadian Condominium Institute (CCI). We are also actively involved in helping condos navigate through difficult situations. Your membership in the BCCA will help us to ensure that these objectives will continue.

If you have any questions please contact John or Michelle.

Thank you,
Your BCCA
