Disclaimer: Print Heads USA takes great care to make certain that products advertised on our website appear as true to their actual colors as possible. Due to the wide variation in color presentation among computer monitors, however, it is impossible to ensure that all customers will receive an accurate representation. For this reason, we regret that we cannot guarantee that product colors will match customer expectation. Print Heads USA offers up to \$10 in product samples (excluding apparel) free of charge as a service to our customers.
