July, 2017

Dear Parents,

We had an amazing 2016-2017 school year with the addition of Chef Ben Simmons. The food was very popular with the students and we have no doubt the student will love this year's menu as well.

Your child will have several options for their daily lunch. Their first option will be to bring their lunch daily. If a school lunch is chosen, they will have the option to choose a hot lunch, a salad, or a sandwich/wrap selection. This will allow students to have some flexibility when ordering lunch.

We will be rotating the lunch menu every three weeks. We believe that this will keep the menu fresh and provide a variety of foods for the students. We feel that with this system, the addition of the Chef to our team, and the improved quality of foods and menu, most students should find something they like every day.

The lunch ticket program and prepay systems used in the past will remain in place, with no change in cost. Even with the added changes, choices, and improved quality, the cost to you remains the same.

We look forward to serving your students this upcoming school year.

Sincerely,

Mr. Norris, Superintendent
