Dear Lee and Alan,

Please accept my sincere thanks on behalf of the Catskill Fly Fishing Center and Museum for your recent donation of \$500.00 to support our work. Your contribution is greatly appreciated. Without the generosity of supporters like you, the Center would not exist.

The Catskill Fly Fishing Center and Museum is dedicated to preservation of the heritage, protection of the present, and promotion of the future of fly fishing. Achieving this goal is not possible without the financial backing of our members and the community at large.

Thank you again for your generous donation.

Sincerely,

Kelly Buchta  
CFFCM President
