Brazos Valley Wrestling Club (BVWC)

Dear Parent or Guardian,

Developing skills and confidence in student-athletes is essential for High School and Collegiate success. BVWC is now offering Rookie/Novice and Advanced programs to young men and women in the 1st through 12th grades that have the spirit and determination to compete in the world's greatest sport. Our Coaches are community volunteers with both the experience and character to assist young wrestlers reach their full potential both on and off the mat.

Our primary goal is to instill the community ideals of good sportsmanship, honesty, courage, and reverence through the discipline of wrestling so that we can help young adults grow into confident and responsible leaders. We will reach this objective by providing supervised instruction in the basic fundamentals of wrestling combined with an acceptable amount of controlled competition. We are blessed to have such a high quality of volunteer coaches who understand that attaining exceptional athletic skills or winning matches has to be secondary to developing a wholesome person.

BVWC will grow to become a leading voice in promoting the benefits of wrestling throughout the Brazos Valley as we support student-athletes across all of our local communities, school districts, schools and sports. We understand the competitive dynamics of our community and have specifically designed our program to support student wrestlers independent and neutral of any school they attend or other sports in which they participate.

We are proud to be a charter organization of USA Wrestling a sponsor of the USA Olympic Program. Thus, we have adopted the USA Wrestling Rules and Curriculum which focuses on the fundamentals of wrestling and repetitive drilling to ensure the wrestlers have a quality basis for their wrestling career. The rules and curriculum of such a pristine and nationally recognized organization will help us ensure a quality program over the year to come.

Sincerely,

Jim Bob Ward, Director
John Humphries, Head Coach

Texas USA Wrestling – Southern Region

BVWC participates in the TXUSA Wrestling Southern Region. We will attend several TXUSAW meets at different locations. All of these meets rely on the parent/guardians to help run these events. TXUSAW is designed to give wrestlers many opportunities to wrestle kids of the same age and weight. If the wrestler wishes to participate in the end of year TXUSAW Open State Championship there are minimum tournament participation requirements, please talk with your coaches for more information.

All tournaments will require advanced registration and a registration fee for which you will be responsible. All tournament and registration information are kept on Track Wrestling (www.trackwrestling.com).

Several of the larger national tournaments we will attend may consist of first-year only, novice (first, second, and third year wrestlers), and open skill levels. The format is the same as our local/regional tournaments, but on a larger scale. The benefit of these tournaments is your wrestler will have the opportunity to wrestle other athletes from around the nation in their weight and age bracket. Feel free to contact one of the coaches or board members for more information.

Practice Expectations

- **We expect wrestlers to attend most practices. Practices are designed to teach skills and techniques that build upon one another. You will be behind if you miss practice.**
- Show up to practice ready to work on the mat at 6:00pm. Wellborn Community Center will be open around 5:30-5:45pm for you to show up in time to help set up mats and get your gear ready.
- Bring your own water—Wellborn Community Center does not have a water fountain.
- **DO NOT WEAR WRESTLING SHOES OUTSIDE THE GYM!** Cleanliness is critical to our wrestlers and dirty shoes **will not be allowed** on the mat. NO street shoes are allowed on the mat.
- Wear comfortable shorts or workout pants (**NO zippers or snaps**) and t-shirts (with sleeves please) or sweatshirts. Please no sleeveless shirts or tank tops for practice.
- **HYGIENE:** Keep all fingernails trimmed. All cuts/wounds must be securely covered. NO wrestler will be permitted to wrestle with any suspicious skin lesions (impetigo, ringworm, etc.). This will be left to the discretion of the head coach. ALL WRESTLERS should shower **immediately** after every practice and tournament to reduce the opportunity for germs to spread.
- Wrestling is a physically intense sport requiring a solid combination of strength, cardiovascular endurance, and technique. Wrestlers will be physically challenged during practice and the first few weeks may be difficult. This will change as their bodies adapt to the conditioning program. Encourage your child to stick with the training and in a few weeks you will see a big improvement in his or her conditioning. Exercise outside of practice is highly encouraged.
- At least one parent/guardian is expected to attend practice. Prior approval is needed for any exceptions. No exceptions for kids under the age of 10.
- **All wrestlers are expected to help tear down and put away wrestling mats at the end of practice.**

- Wrestlers will be required to weigh-in at every tournament. This will ensure your wrestler will only compete against other athletes in their weight bracket. These are strict (low / no tolerance) limits that will be followed at every tournament. A 1-2 lb weight allowance will be granted at the start of every calendar year depending on the age division. Please talk with the coaches about the right weight class for your child. BVWC does NOT promote unhealthy weight changes (cutting or gaining) under any circumstances.
- Wrestlers will undergo mandatory skin and nail checks at every tournament. All fingernails must be trimmed (even for girls). All cuts/abrasions must be securely covered before getting on the mat. Wrestlers with suspicious skin lesions, rashes, infections, etc. will NOT be allowed to wrestle.
- **Parents are required to attend tournaments with their wrestler.** Brazos Valley Wrestling Club will not provide transportation to or from any event. However, we will attend tournaments as a Club to encourage and support one another.
- Wrestling is an individual sport and participants are responsible for being prepared before each match of a tournament.
