

Wishing Well Verses

Honeymoon and Travel Verses

We're dreaming of a honeymoon
and we hope our dreams come true
If you help us fund our trip
we'd be so grateful to you!

Many of our guests have enquired
For a gift idea to be inspired
Like many young couples today
We have most things anyway
If you would like to give, it is our request
For something for our treasure chest
A gift of money you can afford
Is just what we need you can be assured
Without the help of this little pun
Our honeymoon would not be much fun

We're on our way to Bali
For a romantic honeymoon
A holiday for us to share that
Hasn't come too soon.
So if you're thinking of a gift
And are not sure what to get,
A gift of cash would help us most
To get us on that jet.
But most of all we'd love you there
On our special date,
To share with us our happiness
And help us celebrate.

Overseas we will travel
once the wedding bells have rung,
we will have a wishing well
if you would like to contribute to the fun.
If you would like to get a present
we will love it just as much
or if you just want to come and celebrate,
well then that sounds good to us!

A destination wedding was our desire,
so simply your presence is all we require
Sharing our day with the people we love,
for us is definitely gift enough.
But if a gift is still your intention,
may we take this opportunity to mention
Rather than something
we have already got,
we would appreciate money
for our honeymoon pot

To travel here is no small feat
We've asked so much of you
Your presence is present enough
To hear us say I do
And should you still wish to honour us
With a gift of money on the day
A wishing well at our reception
Will set us on our way

Household Verses

Soon you will hear our wedding bell,
As friends and family wish us well.
Our household thoughts
are not brand new,
We have twice the things
we need for two.
Since we have our share
of dishes and bedding,
We're having instead
a wishing well wedding.
But more important
we ask of you,
your prayers of love
and blessings too.

We've been together
a few years now,
we have pots and pans
and linen and towels,
we have glasses and toasters,
really quite a few,
so instead of more gifts,
we suggest this to you,
if it doesn't offend
and it won't send you running,
what we would really appreciate
is quite simply money,
we know choosing gifts
can be such a pain,
and this way there is no chance
of bringing the same.

Many of our guests have enquired
for a gift idea to be inspired.
If you are thinking of what
to give to help us on our way,
a monetary gift towards our new house
would really make our day.

They have their dishes
and towels for two
They have pots and pans
and oven mitts too
So what do you get
for the Bride & Groom
Whose house is setup
in every room?
Their house needs repairs
and some upgrades too
But you can not register
for carpet and glue.
A well that holds wishes
is the way to go
So lets make it easy
for all that know
An envelope will be provided
for those who have room,
To give a monetary wish
to the Bride and Groom
A wishing well will be on display
at the reception hall
To attach wishes, for the couple
with love from all.

In our home we have the things
That living together always brings
Toasters and tumblers already bought
And it's because of this that we thought
A honeymoon donation would be great
If wedding guests wish to participate
So we can travel overseas far and wide
But never leave each other's side
And when our honeymoon is done
We will thank you all for the fun.

General Wishing Well Verses

The love of family and friends
Gives happiness that never ends
Each one of you a special treasure
That fills our lives with joy and pleasure
While wedding presents are so nice
Your presence surely will suffice
But if you wish to give as well
Please donate to our wishing well.

A wishing well
we thought would be great
(but only if you
wish to participate)
A gift of money
is placed in the well
Then you make a wish...
but do not tell!
We have many dreams
we hope will come true
Then we can look back and say
it was thanks to you
And in return for your kindness
we're very sure
That one day soon
you'll get what you wished for!

Your presence at our wedding
is present enough
So don't worry about what to buy
as we have plenty of stuff!
However if you were thinking
of giving a gift to help us on our way
A gift of money towards our own home
Would really make our day!

To save you looking,
shopping or buying,
here is an idea,
we hope you like trying.
Come to our wedding,
to wish us both well,
and bring a small sack,
to throw in our wishing well.
Fill it with paper
all colours will do,
gold is our favourite
but silver will do.
Now that we have saved yo
all of that fuss,
We hope you will come
and celebrate with us.

The tradition of the wishing well
used on the wedding day,
is here both for your money gifts
and for what you would like to say.
So please drop in a token of love
for this special Bride & Groom,
as they start their life united
to live forever side by side.
