

CRGLOA SPRING MEETING MAY 28, 2016

Our meeting was held at PortoFino. A big thanks to Lucio and Sandy for providing our breakfast free of charge.

Minutes of the fall meeting were approved, motion by Al Rhea, seconded by Terry Shannon.

Treasurer's Report was approved. Motion by Al Rhea, seconded by Terry Shannon. There are no expenses for dredging, as the water came in too fast.

Also, a check cleared the bank twice. Rod is working to correct this. It was suggested that we watch our personal accounts for similar problems.

OLD BUSINESS

Sanitary District Update

There is enough money to replace the lift station if it is needed. Combining sanitary districts is still on hold.

Natural Gas

Matt Saso has the name of the contact person if you have any questions.

Entrance Sign

Steve Stoltz had the sign made. It is stainless steel, laser cut. It will be here in a couple weeks. There was some discussion about height, lighting, and visibility. We had previously budgeted \$2000 for the sign.

Liability Insurance

We need documentation to get more information. The key was lost to our lockbox, but it may have been found. We do not have a budget for the lawyer at this time. There will be a follow up. A motion was made to drill the box if necessary. Moved by Al Rhea, seconded by Kathy Cunz.

Memorial Trees

Several new trees were added to the park. Memorial markers will be added for John Mahler, Fred Mahler and John Olles. If we have missed anyone, please let us know. Alex Conti will check about getting the markers made. Thanks Alex!

THANKS

Thanks to Rosemary Aney for her computer expertise.

Thanks to Gert for doing the flower garden by the sign for several years.

Thanks, again, to PortoFino for donating our breakfast.

NEW BUSINESS

The next meeting will be Columbus Day weekend on Saturday, October 8, 9:00 am, at PortoFino. It will be a breakfast meeting.

Election of new officers

Officers will remain the same. Matt Saso, President, George Burns, Vice President, Rod Sloan, Treasurer, Kathy Cunz and Sandy Rhea, treasurer. Motion by Terry Shannon, seconded by Bruce Aney

New Buoys

The new buoys are here. Matt Saso will assemble them and get them installed.

Social Event

Georgia and Rod Sloan will host a **neighborhood brunch on Saturday, July 16**. Bring a dish to share and catch up with your neighbors.

Park Mowing and Flowers by Sign

Hoping some homeowners would be willing to mow the parks now and then so it doesn't fall to one person. Also any help with the flower box by the sign would be appreciated. Thanks!

Website

Our website is up and running.

Website is: mycastlerockgarden.com No password is needed.

Adjourn

Motion to adjourn Sandy Rhea, seconded by Kathy Cunz

Secretaries:

Kathy Cunz

Sandy Rhea

Your dues help to:

- keep our canals open
- maintain parks, buy trees
- new entrance sign
- new buoys as needed
- social events
- state non profit status fee
- and much more

If you have not paid your dues and would like to, send to:

Rod Sloan
2272 Antler Ridge Drive
Dubuque, Iowa 52002

Keep this bottom portion as a reminder you paid.

I paid my dues on _____.
