

# BABA JACK

**BABA JACK** is fast becoming one of the most sought after bands on the festival circuits in the UK and Europe. Their brand of roots is contemporary and powerful: 'an intoxicating brew of blues, folk and roots music' (**Classic Rock Magazine**). They combine great musicianship, passion, energy and charismatic performance to create a unique sound and a great stage show.

**Becky Tate (vocals/percussion) and Trevor Steger (guitars/harmonica)** are the song writing core of Babajack, with **Tosh Murase (drums)** and **Adam Bertenshaw (bass)**.

**RUNNING MAN** was listed amongst the **TOP ALBUMS OF 2013** in **Classic Rock**, **Classic Rock Blues** and **Guitar & Bass** magazines, and their appearance in October 2014 at **The Royal Albert Hall**, and recorded for **Radio 2**, gave them ever greater attention from the media and the music loving public.

**BABA JACK Live** released in October 2015, showcases not only their creativity and talent, but also their passion and energy in delivering a really dynamic live show - all of which are captured in abundance on this latest album.

Looking to the future, the next studio album will be in collaboration with **Pete Brown**, best known for his remarkable song-writing with Cream and lifetime collaboration with Jack Bruce, as well as fronting a number of his own bands, and producing several albums. The plan is to **record the album early in 2016**. Exciting times ahead!
