

## 3 NAGAS LUANG PRABANG

A charming and timeless experience in the heart of Laos' cherished cultural and spiritual centre

1. A time-honoured site, protected by the UNESCO World Heritage Centre
2. Mix of French colonial and traditional Lao design with modern touches
3. A historic journey through Luang Prabang's captivating Indochine era

### HOTEL DESCRIPTION

Three refurbished historical homes, each over 100 years old, mark the bygone colonial era of Luang Prabang, blending vintage French architecture and classic Lao design. Surrounded by lush, wooded hills at the confluence of the Nam Khan and Mekong Rivers, the hotel embodies a touch of mythological lure, nagas being fabled serpent spirits protecting the ancient town. The property's elegant beauty is enhanced with exotic wood flooring, traditional 'torchis' walls and clay roof tiles. Located on the central heritage street of Luang Prabang, guests can enjoy glimpses of authentic local culture and tradition, such as Buddhist monks passing the hotel as they collect morning alms. 3 Nagas is an inviting destination for history and culture enthusiasts.

### ROOM DESCRIPTION

Fifteen impressively spacious rooms, sized between 30 and 56 sqm, open out onto a beautiful garden adjacent the Nam Khan River or overlook the quaint town of Luang Prabang. Colonial furniture amidst traditional Lao design adds warmth and atmosphere to each room.

Exuding authenticity and charm, the 15 guest rooms are split between the Lamache House, shaded by mango trees, and the Khamboua House, found on the opposite side of the street. Offering 12 Deluxe rooms and 3 Executive suites, each room is well-appointed with comfort and grace, complimented by an attached terrace or balcony, Wi-Fi, coffee and tea making facilities, minibar and an in-room safety deposit box.

### 3 NAGAS RESTAURANT

A fine-dining establishment specialising in exquisite Lao cuisine, made with fresh ingredients sourced from local farms. Open from 06:30 until 22:30, the award-winning restaurant serves rave-worthy fare. The indoor bistro setting is a cosy place to pass a warm afternoon, while the opposing al fresco courtyard is impeccable for soaking up Luang Prabang's surreal evening atmosphere.

#### THE 3 NAGAS GARDEN
