

Band and Choir Equipment

Rivers Edge camp can offer you:

- 4 piece drum kit (snare, rack, floor, kick; stool, kick pedal; no cymbals, no cymbal stands)
- Concert bass drum with stand (no beater)
- "Bell kit" glockenspiel
- 3 timpani: 31 (D-A), 26 (G-F), 23 (D-A) *Ranges are approximate, and can fluctuate
- 70-80 music stands
- Upright piano

We work hard to keep our equipment in good working order and ask for your support in helping us do so! Thank you for your care when borrowing our instruments.

We understand that things age, wear out and occasionally, accidents happen. Please be forthright with any concerns or incidents surrounding borrowed equipment so we can continue to provide quality equipment to great bands like yours!

Please remember to bring all sticks, mallets, beaters, cymbals and stands. You may also wish to pack your own concert snare drum and stand.

Below is a photo of what you should expect to see upon your arrival at camp-- please ensure your membership is careful to return instruments to their assigned locations.
